Quality

AT GREAT LAKES STAIR AND STEEL, WE PRIDE OURSELVES ON THE HIGH QUALITY OF OUR WORK AND OUR FOCUS ON SUPERIOR CUSTOMER SERVICE. WE ARE RENOWNED FOR OUR ABILITY TO WORK WITH ARCHITECTS, GENERAL CONTRACTORS, AND OWNERS IN DESIGNING AND EXPEDITING STAIR, RAIL, AND STRUCTURAL STEEL SYSTEMS TO MEET YOUR NEEDS. THE DESIGN AND INSTALLATION STAFF AT GREAT LAKES STAIR AND STEEL HAS TWO DECADES OF REAL WORLD EXPERIENCE BEHIND US TO OVERCOME ANY OBSTACLE.

Professionalism

OUR MISSION STATEMENT IS:

**WHERE
IMPOSSIBILITIES
BECOME REALITY**

WE HAVE COMPLETED THOUSANDS OF PROJECTS UP TO DATE, INCLUDING SINGLE FAMILY RESIDENTIAL, MULTI-TENANT RESIDENTIAL, RESTAURANTS, SHOPPING CENTERS, COMMERCIAL BUILDINGS, INDUSTRIAL PROJECTS, AND A VARIETY OF SMALLER, UNIQUE FABRICATED ITEMS. ONE UNUSUAL QUALITY YOU WILL FIND AT GREAT LAKES STAIR AND STEEL IS OUR ABILITY TO USE TRADITIONAL BLACKSMITHING TECHNIQUES TO FABRICATE COMPONENTS FOR YOUR PROJECTS. THIS TIME-HONORED WAY OF THINKING IS CARRIED OVER INTO ALL OF OUR FABRICATING PRACTICES. IT ALLOWS US TO KEEP A WORK FLOW UNMATCHED BY OTHERS AND A PRODUCT WHICH IS ALWAYS UNIQUE.

Experience

WE HAVE THE CAPABILITY AND SKILLS TO TAKE A PROJECT FROM START TO FINISH IN-HOUSE; INCLUDING SITE MEASUREMENT, CAD DRAWINGS, FABRICATION, AND INSTALLATION. THIS ENABLES US TO CONTROL QUALITY AND SCHEDULING, UNLIKE SHOPS THAT BROKER OUT SEGMENTS OF A PROJECT TO SUBCONTRACTORS. YOU CAN TRUST GREAT LAKES STAIR AND STEEL TO GET THE JOB DONE RIGHT, THE *FIRST* TIME.
